

PR-PF-301CP

Platform truck Polypro

Professional platform truck, capacity 300 KG

Perfect quality!

Easy to transport and store thanks to its foldable pushbar.

Pushbar beige 2-layer coated.

The plateau is an extra strong and durable polypropylene and is anti-slip.

Security guards on hinges to protect the fingers when folding the pushbar.

Pushbar height is adapted to the European sizes (user does not have to bend).

With 4 non-marking noiseless wheels. Ø 130mm. Consisting of two fixed and two swivel casters.

These wheels provide a completely noiseless motion with low starting resistance.

Is delivered fully assembled.
